“ I grew up with Brian. All though I haven't seen him in a long time I always remember the good times as kids. His house was always the best hang out spot. Watching movies in the basement and hanging in the pool. His mom and dad were the coolest parents in the world to me. Brian taught me some karate and always told me "don't be afraid to defend yourself" I'm very saddened to hear this news and my heart aches for the family. All my love and prayers to them.

“ I still can't believe you are gone. You will never know just how much I truly loved you. You were my partner in crime on vacation, my giant cannonball in the pool, the one who would always side with me when I would speak up, the one I could always goof around with, my "sweet tooth" and my "golden" boy. You were not my brother in law, you were my brother. I always felt like you were one of my biggest fans and it made me so happy. You were the very best Uncle B that the kids could ask for. They loved you to the moon and back, I hope you know that. My heart is so broken and will never ever be the same. I will think of you every single day for the rest of my life. "Like a shooting star flying across the room, so fast, so far, you were gone too soon"..I love you Bri.
