“ Delores was a second Mom to me. Growing up with Doreen, I have so many memories of so many hours spent with her and the family. She always had a warm welcoming smile as well as ‘I know what you girls are up’ look. As teenagers we may have believed we were slick but Mom was always wise to us. Her sense of humor always made us laugh but don’t get caught stealing dinner’s meatball before supper time. So many memories. Such a special woman. So fortunate to have been part of her life. Rest In Peace Delores, Rest In Peace Mom.
