

Frances E. Lofaso

June 25, 1933 - August 21, 2019

Frances E. Lofaso, 86, passed away peacefully on Wednesday, August 21, 2019, at her home.

Fran lived a very full life and was always there to help others. She and her late husband, Frank, were advocates for the disabled of Staten Island. She was predeceased by her beloved husband, Frank, who passed away in 2008. She was also predeceased by her son, Gary, who passed away in 1990.

She was the loving mother to Laura Vernon (Robert) and Robert Lofaso. Dear sister to Silvio and Joseph Coluccio. Devoted grandmother to Andrew and Lindsey Vernon.

Comments

“ We are very saddened to learn of Fran’s passing this week. She was our next door neighbor on Windfall Lane for the last 14 years. We knew her to be an active and independent member of the community and saw her walking and driving around right up until the last week or so. So when we saw all the cars visiting during the last several days instead of Fran out and about, it seemed like something might be wrong, but we hoped for the best. She was always a kind and pleasant faced neighbor and we will miss the smiles and waves we always exchanged. Our sympathies to her loving family.
