“ Tommy, I'm just now April 24th ,finding out of your passing. You were a good friend to me. I'll never forget u staying with me at the hospital in toms river, our week long adventure to the poconos our talks, just everything. You were fighting your demons (like we all are) but you kept fighting those demons for your kids. You loved your kids so much Tommy, they know you loved them. I hope that where ever you are that all of your pain is gone and you can smile and laugh with the Angel's now . I love you Mr. Paradiso ,you will always live on in my heart, and the hearts of everyone that knew you. Till we meet again my good friend . Xoxoxo

“ He was in ny. I had gotten admitted to a hospital in tomsriver NJ for a very painful blood infection. He had gotten me some food from little Italy and brought it to me all the way in NJ. He got to the hospital around 2 in the morning so he convinced security he was my husband so they snuck him upstairs to my room. I didnt have my own room. I shared it with another patient so he shared his food with her and we all laughed about how he had gotten snuck up stairs. That's what kind of person he was. Even tho he was fighting his own demons he still went above and beyond for his friends and even complete strangers. I love you Tommy. I think about you all the time. My heart n my prayers go out to your kids and the rest of your family. You will always be missed. Xoxo...my "sir"
