

Adeline Tufano

June 9, 1939 - May 18, 2020

Adeline "Honey" Tufano entered into eternal life on Monday May 18, 2020 after a courageous nine year battle with pulmonary fibrosis. Her spirit will be carried on by her husband Saverio, her three children Ralph, Hope and Xavier, her 10 grandchildren, six great grandchildren and her five siblings.

She was born on June 9, 1939 in Union City, N.J. to the late Raffaella and Pasquale Falchetto. She grew up in Union City and graduated from Kearny High School. When her family moved to Brooklyn she met the future love of her life, Saverio. "He kept calling for a date and finally I said ; let me get rid of this guy and go out with him". On the first date he told me he was going to marry me. I said, "that's what you think". A year and half later they were married on June 21, 1958 in St. Catherine of Sienna Church in Brooklyn. They began their wonderful life together with the births of their children; Ralph, Hope and Xavier. Shortly thereafter they bought a home in Bulls Head and moved to Staten Island.

From 1970 to 1986, along with taking care of her growing family, Adeline was a bookkeeper for the family business taking care of payroll and doing the office work. At the same time, she was a part - time employee at EJ Korvettes in New Springville, working there until 1990, when she retired. She and Severio became "snowbirds" in the winter months when they would travel to Florida.

Adeline was called Honey by her grandchildren and great grandchildren. Honey was an amazing cook and made the best macaroni, meatballs, baked clams and cookies. Even if someone took the exact same recipe, Honey's was always better. She loved to cook, travel, bake, embroider, but most of all spend time with her family. She was always cheering on her grandchildren at dance recitals, sporting events, and graduations. Honey's spirit will live on in her family and friends. We were all so lucky to have her as part of our lives giving us all these wonderful memories. She was truly an angel and is now at eternal peace. We love you forever , our Honey.

“ I remember going over to Aunt Adeline's and Uncle Sal's house for dinner with my parents and brother when I was about 16. She had made so much food and it was all great! She made pasta with sauce that tasted similar to my mom's and I remarked how similar it was to my mom's. Both my mom and Aunt Adeline reminded me that Aunt Adeline taught my mother how to make the sauce. I also remember being in Florida with her Uncle Sal and my parents 6 years ago and we had some of the most wonderful conversations and it was very nice. We love you Aunt Adeline and we will miss you! Love Always Lorraine & Joe

“ Our Honey was a beautiful, kind, generous and loving mom and grandmother. She loved her family and loved spending time with her grandchildren. Being her daughter in law was easy. She treated me like her own, and I could say she was the best “mom” to me and I loved her so much. I was fortunate to have the best mother-in-law any daughter in law could ask for. She wanted her kids to have a good life and over the years her generosity and love was more than anyone could ask for. She wanted the best for all her family. I will miss her so much. May she Rest In Peace our beautiful Honey.
