“ *I will always remember Adrian as one of the coolest people I know. He had swag, he was smart, and always marched to the beat of his own drum no matter the situation. Most importantly he was a great Uncle and a best friend to many. Love you Zoe*

Svend Tranberg - April 17, 2020 at 09:39 PM

“ I once asked my Uncle "What does your middle initial H. stand for?" He said "Henry" I responded "Oh, like Henry Hill from Goodfellas?" He said "You're a wise guy" Lol My Uncle Adrian was not only my Uncle but also a close friend & mentor. He was a man of character & integrity who lead by example. He was wise, intelligent, funny & loyal. You could tell Adrian wanted the best for people by the way he was always accessible and humbly dispensing advice. His Legacy of a loving loyal family member/friend, hardworking public employee/citizen, veteran and where he truly lived his purpose as a brave & proud supporter of community programs & organizations will never be forgotten. In the end, words fail to capture what he meant to me & how much he'll be missed. So I'll just say "Love you Uncle Adrian" and he'd say "Love you too, Peace out son, alright Later"

“ *Shawna Daughter:*

My father raised me and my two older sisters and loved us all the same.

He was A.D. to everyone else but dad to us. We've always had fond memories of rides on his shoulders.

We sent him up and down the stairs to bring our Big Wheels outside during the summer,

We will always remember dancing in the living room to his favorite records.

We remember his sense of humor and big spirit. We always love him and will keep him in our hearts forever.

Goodie Faithful Sponsor:

Smiley Desiree Gibbs Special Friend:

Best Friends about who you knew for the longest, but who walked into you life and said

"I am here for You" and proved it.

Adrian and I created thousands of memories and millions of laughs over 20 years. He changed me forever and made a big impact on my life.

I know those we love don't walk away, they walk with you everyday.

So until we meet again you will be missed greatly.... love Smiley.

Remembrance from close friends:

Stevie E.

Dear Adrian you are no longer physically present but your spiritual presence will always be locked in my heart and mind.

Kevin.

When I think about Adrian. He was a brother that was always honest about his thoughts.

That brother would give you the shirt off his back if he knew you needed it bad enough. 😊 always willing to lend a hand and to help someone out.

He was very stubborn in a kind way, it was hard to get him to change his mind once he had it set.

Adrian will be missed by many people especially in New York. As well as here in Atlanta Georgia and other parts of the country.

So sleep in peace my Brother and may the god of your understanding continue to keep you and his loving arms. PS now you can join that big N.A. meeting and Heaven

Renee:
