“ *My deepest heartfelt condolences to you and your family. I know it has been a lot of years, but the best times at the Rainbow for me were the times that you, Al, and the girls would walk through the door. Loved the great conversations that we had, and truly have been blessed and honored to have known Al. What a great man...a man's man. Laurie, again my deepest sympathies for your loss. Take care and be well, and you are all in my thoughts and prayers. Al, RIP and God speed my friend. You will be missed.*
