“ It's New Year's Eve and I don't want this year to end because then I have to face your first anniversary and the first year that I won't get a call from you. It breaks my heart that you are not here with us and that we wasted so much time being apart. I love you with all my heart now and forever. Forgive me.

“ To my loving son, since you have passed it has been extremely hard for me. When Dad passed my heart was broken but losing you has left a big hole that can NEVER be healed. You were right you never know what you have until it is gone. If only I could hold you one more time. I am so sorry and miss you terribly. All my love Mom
