

Albert Russo

May 3, 1951 - March 26, 2023

Albert Russo, 71 , passed away on March 26, 2023. Al was born in Brooklyn to Josephine and Anthony Russo, the first of five children.

He had to drop out before graduating Canarsie High School in order to care for his family when his father passed away after a heart attack. In time he came to work for the New York Telephone subsidiary of AT&T, at first fixing telephone poles but soon with some of their first personal computers.

He married his wife Anita in 1973, and together they raised three children, Michael, Jonathan, and Susan. Shortly after being laid off in the wake of AT&T's breakup, he co-founded Stardate Computer Systems, Inc. with his brother James. Together, they built a successful business selling cutting-edge personal computers and peripherals, networking them to each other and eventually to the Internet, and writing custom software to help other businesses. He was an integral part of the business for decades, a business which helped support his family and send all his children to college.

He was just easing into retirement and enjoying more time with his grandchildren when he unexpectedly passed away on Sunday. He will dearly be missed and always be loved.

If you wish to make any donation in his honor please consider either the

Lustgarden Foundation or Special Olympics.

A Mass of Christian Burial will be at 10:00 AM on Thursday at Our Lady Star of the Sea located at 5411 Amboy Road Staten Island, New York 10312. Interment will be in Resurrection Cemetery, Staten Island, NY.
