“ DEAREST FRANNY,
Your beautiful mozzarella man, a heart of gold just like yours. I saw your beloved on December 31 he was just leaving to go fill up the cars with gas and telling me that nobody knew what E meant in the car besides a him! My 2 nieces were in from Florida and I introduced them. I told him we were leaving for Mexico jan 2 and he told me to have fun and NOT to come back home with any tan lines! We kissed he said happy new year boobla. We pulled into driveway and my nieces said awwwww what a nice man, Tj said I love him mommy, I don't see him or Fran at all but they are so nice and good. THEN she told CARMINDA and KATIE about Al's MOZZERELLAS! How he would bring them over and she wud cut a piece and hide it in the refrigerator because his was better then any she ever ate ever!
I will never forget the stories Al shared with me and all his words of wisdom that continue to help me to this day.
What a beautiful being and soul, an angel on earth is now an angel in heaven. My deepest condolences to you my beautiful friend, your children and your grandchildren.
Franny you are in my heart and prayers. Will see you as soon as I return.
Much love, Jeanne xo
