“ My heart is aching for the loss of my beloved cousin Freddie and for his wonderful family, Roseann, his children and grandchildren, his siblings and the many cousins who loved him always we will sit around and talk about all the wonderful times that we had with a person that could find laughter in everything and always made you feel happy when you were around him. I'm so glad I got to see him before he passed. I pray that he is now with all the ones that love him and they will look after him until someday we get there and joined again. I will always remember my childhood with Freddie and all the good times we had over the years, God bless him always. I will love you forever Freddie until we meet again. Love you always Lorraine.

“ Freddie will always be remembered as a fun loving, sweetheart of a guy. He loved life, and had such a positive attitude. He never complained and always had a smile on his face.

It is with a great ache in our hearts to say farewell to our beloved cousin. Our hearts are breaking for Roseann, his children, grandchildren, and our cousins, Freddie's siblings. He will always remain in our hearts and prayers. Until we meet again, Rest in Peace Freddie. To Roseann and family, always remember death is not forever, love is!
