“ Dad as I'm writing this I am filled with so much emotion. Bittersweet times. Bitter because u left us and sweet because of the birth of your great grandson Christopher. THIS is where when I come to a crossroad, u would be there to tell me what u would do. Im having a difficult time trying to mourn you and celebrate him. All the while trying to be strong for mommy, Tara and Lorraine. Im trying hard to make the right decisions and at same time trying to get your approval. I know I didnt always take your advice, but I always listened to it. When I did make the mistake you never said I told u so, you just gave me that reassuring nod and that smirk I'll never forget. I promise I will keep the family together and always take care of mommy. Ill think of u everyday and miss you forever. REST in ETERNAL Peace and watch over us. I love You
