“ I will miss my dear cousin and friend so very much. We had many long talks as our life situations were so similar. We understood each others challenges and were there for each other to talk and vent. I loved her with all my heart and will remember the good times and laughs we had. I will especially remember the fun loving girl she was when she would come up to Connecticut to visit me and hang out with friends. She had so much fun. Rest in Peace my love and may perpetual light shine upon you.

All my love
your cousin
