“ *I knew Andrea for 25 years, we would go dancing and hang out almost every weekend. Then she moved to Florida where I would see her every Saturday , and go to her parties. She was a great person always helping others . She will be truly missed. I love you girl , say hi to your dad.*

“ Met Andrea about 18 years ago as a waitress, she was the sweetest. We were eating and a big bug ran out in front of us. We laughed so hard that we exchanged numbers and became friends. Since I mom wasn't doing well I had not be in contact for a while. She will forever remain in my heart. ALways
