“ *I, Josie, was a good friend of Andy. I knew him quite a few years. I met him when he worked at the gas station in New Dorp. We been friends since till I moved upstate NY in Oct 2011. When I lived in Staten Island he used to like fixing my car and always did a great job and never asked for money. We both had love for car repairing and cars itself in common.I really liked him a lot and am very stunned I found out today he died. He was a great good hearted guy.. Miss you lots Andy.*
