“ *Dear Grace and Vinny,*

*I only found out March 1 that the Lord took Andrew home. I am so sorry for your loss. I can't imagine what you are feeling. Losing a child. My heart goes out. I know you both have strong faith which will get you through. You never get over it, only through it with Christs help. I will keep you in my prayers. May Andrew rest in paradise. He's hanging out with Michael Rinella! God bless you.

“ Dear Grace-Marie, Vinnie and Family

I was so saddened to hear about Andrew's passing. While we hadn't seen each other in many years, I have so many fond memories of us playing together when I would visit as a child. My thoughts and prayers are with you all. You are all in my heart.

With Love,

Cousin Jeanna

“ You were an amazing guy and no matter how much time passed before we would see each other again, you always knew how to put a smile on my face. I still can't believe I won't ever get to speak to you or see you again but know that you are very much loved and will be missed greatly. I truly regret not being able to meet up recently and I took the time we had for granted. I hope you're at peace and in a better place. Until we see each other again. - Your "work wife" Jenn

“ In just a short time he touched my life with great conversation and Friendship, and made me feel a part of a bigger family and as though I was one of the guys. He never ceased to make jokes and have fun, and always made you smile. You've touched my life, and your memory will always live on in me. I'll find a way to honor you, somehow. Until we meet again!

“ I can not put into words the hurt i feel right now. From the time we were very young we grew a bond that stayed with us until the end. Every Friday after school waiting for vin, anthony, and you to arrive from SI was the highlight of my week. We had L&B, listen to grandpas stories, snuck upstairs in my room to have all night wrestling matches until we heard someone come up and we would stop and say we were just playing nintendo (Even though we look like we just ran a marathon) just to do it all over again the minute they walked out. Holidays (esp nye and 4th of july) were always the best. It would be a friday night just a lot longer. All the summers sleeping over your house and then later on when you stayed by us are memories I will never forget. Going to mets games with marc and your bros , or when it was just us a knicks or wrestling events. AC trips, fantasy football....where just some of the things we bonded with. You totally honored me when you took my name and asked me to be your confirmation sponsor. Later on as adults we would have nights just hanging out talking about life, grandma and grandpa, and ofcourse wrestling (lol). We even created our own drink The Summer Wind. I want to shoot you a text right now about wrestling or a random opened ended sopranos or gangster movie quote and you would finish it like we always would do. As you always told me I always think of as a brother and you were always the younger brother i never had. Please give grandpa and grandma a hug and kiss from me and enjoy the rice krispies treats im sure grandma made you already. I love you, I will miss you always and have one of those Rice Krispies treat waiting for me when we meet again.
