

Angela Daledda

February 26, 1932 - May 29, 2021

Angela Daledda, 89, passed away on Saturday, May 29, 2021, at Eger Health Care Center.

Angela "Babe," Loving wife to Ricky to whom she was married for 67 years. Beloved Mother to Kenneth {Marilyn}, Peter {Veronica}, and Barbara {John}, Cherished sister of Rose Lentino and Dear grandmother to Victoria and James will be missed immensely.

She was the core of our family giving all of herself as an amazing woman, advisor, and mentor who guided her family through life with love, wisdom, and generosity. She taught us all what is really important in life- to love, support, care, and serve each other. We are all better off to have known her. Her family and her role as wife, mother, and grandmother were the most important things to her. She drew her strength from this. She was ill for a while but through it all her love and caring for her family remained her focus. She was always fighting to be alive (with Ricky's unending support and care).

Some of the things she loved were "her kiddos" at her job as a school aide for NYCBOE, the color blue, flowers, baking, and especially Christmas time. She is survived by her husband, her three children, their spouses, and two grandchildren, as well as many other relatives and friends. The ways she touched our lives will remain and we ask you to keep those memories alive.

In her honor, please remember all the people that contributed towards her well-being towards the end: Northwell hospice staff, her nurses, social workers, her aide Charlene, Fox Rehab staff, and everyone at Eger that kept her in comfort.

A Funeral service will be at 11:00 AM on Tuesday at John Vincent Scalia Home for Funerals, Inc. located at 28 Eltingville Blvd Staten Island, New York 10312. Interment will be in Resurrection Cemetery, Staten Island, NY.
