“ You are the true definition of what a mother is, you have always been a loving and caring mother. You have always given your whole heart to your family with now hesitation and no matter the circumstances we always knew that we can come to you with anything. Because of how I was raised and the family values that you and dad instilled in all of us I am a better man because of it and I have always tried to instill those same values in my daughter. Mom you have been through too much heartache in your life and I wish I could of took that and carried it for you, you will always be loved and I will miss you terribly but you are in heaven now with dad and your son Anthony as Peter and I used to tease you and say to you “here he comes your sunrise & sunset”. So go to them i know they have their arms open waiting for you. I love you mom with all my heart rest in peace your loving son Thomas

Beautiful words, Tommy and so true. She was a wonderful woman with a heart of gold, my second mother. I will miss her tremendously, but I know she is finally at peace 🙏❤️🙏

“Hearing the news of your passing saddened me so. I have so many memories from living across the street, raising our babies and watching them grow as we grew with them. I will always keep your memory alive, as I remember the day you taught me how to make lentil soup all those years ago.
You will forever be missed my friend. Rest in Peace dear Angie.
