“ My son Daniel used to attend CCD classes with Angelica. He was enamored at first site I think. She was always the ray of sunshine during class. We had lost touch after CCD but Dan still saw Angelica at school occasionally. I know we have no excuse for losing touch but we thought of her everyday. We still have some pictures of Angelica and Dan hanging on our refrigerator, so we did think of her all the time. I know she had gone through so much in her young life and I'm sure there continued to be struggles. She will be peaceful and in comfort now. Truly heaven has a new angel now!
