“ With all our hearts, we will miss you. Rest in beautiful peace Grandma. Yours, such a beautiful and long life. The memories we all have of you will never fade and the essence of who you were will live on within us all. I loved you, not because you were my grandmother but because of the life you had and willing shared with me. Some of my favorite childhood moments were times I spent with you. God rest your beautiful soul, Gram, and may you find comfort among your children who were there to receive you, Grandpa, your parents and siblings too ❤️ Forever in our hearts ❤️

I have very fond memories of them together. I one time came home from school to find they had hired a dance instructor to teach them 'The Hustle'. Lol, all the furniture moved to one side of the room and them glistening and gleaming, taking turns with the instructor. God bless their reunion in Heaven and I hope they dance often 🙏❤️
