“ To Maria and the rest of the family, this is Veer (from brandywine). I just wanted to say how deeply sorry I am for the loss of your mother. She always kept me on my toes when I worked there and was truly one of a kind. She was a good soul, and is going to truly be missed by so many. Thinking of all of you during these times, I will always cherish the memories I made with your amazing mother. Think of all the positive memories you had with her, she will always be looking down on all of you. Sending all my love and support during this time, she will always be with you. 💙
