“ James and I would like to express our deepest sympathy in the loss of your mother, I remember many trips to your house on 65th Street with your mom and dad, the house always had something cooking on the stove and of course you always had to sit down and have something to eat. She did a great job of raising her boys, may the memory of her always remain in your hearts as well as the good times. You were all very lucky to have such a wonderful role model in your lives. With love, thoughts and prayers to you all.  
Love James and Tina
