“ I would like to offer condolences on behalf of the DeWitt Clinton High School Alumni Association. Anthony was a 1934 graduate and was always proud of his Clinton connection. He was a loyal supporter all his life. As editor of the Alumni Newsletter, I communicated with Anthony a few times back and forth. On one occasion, he told me how on his way home from Clinton he used to look into Yankee Stadium during a game when the No. 4 stopped at the 161st Street station. He even told me that on one occasion, a student pulled the emergency cord and the train was stuck for several minutes at the station, allowing everyone to watch the game a bit longer. Mischievously, he asked me, “Who do you think pulled the cord?” I am told that there are no cords to pull in heaven. May he rest in peace. Gerard J. Pelisson.

“ Abiding memories of my Uncle Tony are of a kind, considerate, thoughtful man that freely gave of himself to lend a helping hand for family and friends. I greatly admire that he was ever a devoted servant for his family, guided by wisdom beyond his years. Coming from humble beginnings, he worked hard and made a difference in this world. He will be missed.
