“ Tony was a best friend to me and my husband. He was a brother to me-- always joking around, smiling and having a great time! We had sooo many inside jokes and when we'd argue it was never an argument we'd laugh at the end. He was sincerely the brother that I never had and the funniest thing is his name was Anthony. My dads fathers name was Anthony and if my mom had a boy it was going to be Anthony that's why when she had her last daughter she named her Antonique. I never thought of this before until now. He would always make you feel like he was genuinely so excited to see or hear from you even if you haven't seen each other or spoken in a while-- he was like this with everyone. He was sweet and sincere and only wanted the best for everyone around him. He was so proud when he was passing the exams trying to better himself and he would always talk to me about finding the one -- he was very picky! I am sad that he did not have more time here because I truly believe he would have become a great Engineer, finally found someone and been a great husband, had many children, a house, and a dog. I always prayed and wanted this for him and even though he is up in Heaven maybe he has all of this there. We all love him and will miss him dearly! I am always here for any family and friends who want to reach out to talk about a great man and best friend of mine who will ever be replaced-- there is not a day that goes by that I do not think of Tony. I am sure he is in Heaven watching over all his family and friends especially his Mom and Dad, sister Francesca and brother Michelle and baby girl. You will be missed forever, my dear friend Anthony. Xox.

“ *To the family of Anthony Bisogno, my deepest sympathies go out to your family. I met Anthony 51/2 years ago on Nj Transit. We became close friends, we would go out for lunch at Taste of Italy in Ocean Township. On the the train ride home we would talk like the jerky boys and laugh hysterically! He was a great guy , always concerned and asked how my family was. That's how he was. I miss him and will always remember him. Heaven has received a true angel!! Rest in peace Anthony(tony)!!!!*

“ *My big bro. The sweetest most kindest soul I will ever meet. You taught me the greatest life lesson of all, to be kind, loving, and forgiving to everyone. You have left people with only the fondest memories of you. You never took things too seriously and I know you wouldn't want anyone crying and being upset about your passing, but rather laughing and remembering the good times. You were always the life of the party and heaven now has some amazing entertainment. I am honored to say you were and always will be my brother. You loved me unconditionally and I am a better person because you were in my life. Til we meet again, rest peacefully. I love you.*

“ *Anthony,Anthony.....you were like a son to me ever since we moved to Staten Island and you became friends with Tom and Rob, always with them, playing hockey on my homemade ice rinks in my yard, in the house, playing videos, and then in NJ hanging in the pool and spending the weekends. I never minded cooking for you, you enjoyed it so much, and were always so complimentary...even cleaning off the table for Roe.... You were polite,considerate and respectable to me and my wife always. We will miss you so much and never forget you. May God Bless You and Your Mother, who I know you are now with.* ❤️🌸🌹🌺🌻🌼🌽🌾🌿🍀
