

Anthony Cafro

January 1, 1944 - October 13, 2018

Anthony Cafro, 74 of Staten Island, New York passed away on Saturday, October 13, 2018, at Staten Island University Hospital North surrounded by his loving family.

Born Saturday, January 1, 1944 in Brooklyn, New York, he was the son of late Anthony and Frances Cafro.

A US Navy veteran, Anthony was stationed on the USS Sperry where he honorably served from 1966 until 1970. After his service, Anthony was an electrical engineer and a district manager for Rockwell International.

Anthony was known as 'Uncle' to family and friends alike. He passed peacefully knowing he was loved by his family and friends.

He was a loving husband to Linda Kendall. Anthony was a devoted father to Adam Wright (Kelley), Anthony T. Cafro Jr. (Rina), a cherished grandfather to Anthony T Cafro III (Amie), Reagan, Madeline, Christina, and Jason and great-grandfather to Anthony Michael. He was a beloved brother to Diane Ricca her husband Joseph Ricca and Daniel Hammer, uncle and friend. Anthony enjoyed doing electrical work, taping, spackling and painting and put his skills to use helping family and friends with home renovations over the years.

He was a master ball breaker and was cracking jokes right until his passing. While his health weakened his spirit and his will to fight on did not. He was in good spirits right to the end; unfortunately his body could not take anymore. This past week has been a roller coaster to say the least but we are so grateful to our family and friends for their love and support. The family thanks everyone so much, They can never fully express how much it means to them.

The family will receive friends from 2:00 PM to 4:00 PM and 7:00 PM to 9:00 PM on Wednesday, October 17, 2018, at John Vincent Scalia Home for Funerals, Inc., 28 Eltingville Blvd, Staten Island, New York.

Arrangements Include Private Cremation.
