“ I remember how he always had a warm smile and would make me laugh. My uncle, his father would jokingly tease him but their love for each other was unmistakable. One thing I always remember was him sitting on my lap when he was about 5 years old while I'm riding on a lawnmower cutting the grass at my uncle Bill's house and he jumps off because he saw a frog in the grass! He scared the hell out of me and his father who was watching from the house and came running out yelling at him for jumping off like that. You will be forever missed cousin.💔

“ Tony you will be forever missed. I will never forget all the memories like giving me \$20 to say a bad word when I was 3, Ed Hardy, and wearing sunglasses at night. Tony was truly iconic in my eyes and lit up every room. May you rest in paradise❤️

“ Linda, from the bottom of my heart, I am so incredibly sorry for your loss. Ive known Tony my whole life. He’s been an uncle to me and my sister. He has never missed a birthday or an event of mine. When I was little, I loved the lion king and every weekend he came to my house to paint a mural on bedroom wall just so I could look at my favorite movie every day. He gave me my first truck for my 20th birthday and he was just the person to always call whenever I needed help. I will never forget him and he will be missed every day. Rest in eternal peace.

“ Lynda we are so sorry for your loss. We have so many great memories with Tony. He was a brother to Neil, a great friend to me and he loved my girls. I remember at Angela's sweet 16. He came walking in with his white suit. He looked like he was coming from the disco. He made sure no guy would come near Angela because he had the need to always protect her. And when Victoria was three he would give her 20 bucks to say a bad word. We laughed so much. He was loved by us so much. Him and Neil going to California together, doing the bull run together. Driving back from Florida with him in a corvette with our new puppy in the back. We have so many memories dating back over 30 years. Our most recent memory was him coming to my daughter's wedding. We had such a great time. We love him and he will be missed so much. We will hold him in our hearts forever. R.I.P. our dear friend. May the angels hold you close in their arms💔
