

Anthony P. Martino

July 26, 1994 - April 9, 2024

Anthony Martino, son of Dominick and Corrine, a vibrant soul who brought joy to all those around him, passed away at the age of 29. Born on July 26th 1994, Anthony was a mechanical engineer by profession but will be remembered most for his infectious laughter and charismatic personality that lit up any room.

From a young age, Anthony displayed exceptional talent in multiple sports, excelling on various fields and courts. His athleticism was matched only by his zest for life, making him the life of the party wherever he went. Whether it was on the soccer field, basketball court, or dance floor, Anthony's energy was contagious, leaving everyone with a smile on their face and unforgettable memories.

In his professional life, following in the footsteps of his grandfather Arthur Salvadore, and his father Dominick along with many other family members Anthony pursued his

passion for engineering being a proud member of local 94, earning accolades for his innovative approach and dedication to his craft. His creativity knew no bounds, and his contributions to the field were invaluable.

Outside of work, Anthony cherished the company of his beloved dog, Kobe, who was his faithful companion through thick and thin. He also had a deep bond with his siblings, Dominick, Alexa, Victoria and Ashley, whom he loved dearly and shared countless cherished moments with.

Anthony's sudden departure leaves a void in the hearts of all who knew him. His laughter, kindness, and unwavering positivity will be greatly missed but forever cherished. Though he may no longer be with us in body, his spirit will live on through the countless lives he touched.

A celebration of Anthony's life will be held on April 14th 2024 2pm-4pm and 7pm-9pm at scalia funeral home, where friends and family will gather to reminisce, share stories, and honor the beautiful legacy he leaves behind. May his soul rest in eternal peace.
