

Dr. Anthony Napoli

November 30, 1930 - June 25, 2022

Dr. Anthony Napoli, 91 years of age, of Staten Island, New York, was called home by the Lord on June 25, 2022 surrounded by his loving family in his home.

Dr. Napoli was born in Brooklyn, NY, to Placedo and Nancy Napoli. He earned his Doctorate in Chiropractic at National Chiropractic College and practiced for over 40 years in both Brooklyn and Staten Island.

He had a lifelong love of travel, music and most of all, a deep love of the Lord. He was a pianist, composer and singer. Spending time with his family gave him the most joy. His patients knew him to be warm, caring and always willing to go above and beyond in caring for them. He cherished opportunities to share his love of Christ with his children and grandchildren and served to be a wonderful testimony of God's grace.

He was a faithful and loving husband of over 65 years to his beloved wife Mary, a caring and compassionate father to his children, Dr. Christopher Napoli and Denise Wagstaff, and a wise, loving role model to his cherished grandchildren, Matthew, Tracey, Amy, Connor and Landon. Loved and missed by his sister Anna Fontana, and nieces Leslie Cronheim and Pamela Blyskal.

“ *I was shocked and saddened to learn of Dr. Napoli's passing. I have fond memories of his kindness and generosity. The Napoli Home was open to me as a teenager as I was good friends with his daughter. I always felt welcome. He was a smart cookie too. Years later I met him and Mrs. Napoli at a concert and it was as if time had stood still. Sending love to the Napoli Family..to Denise, Chris, Mary and everyone. He will be missed.*
