

Anthony F. Puccio

January 17, 1937 - April 18, 2020

Anthony F. Puccio, 83, passed away on April 18, 2020 at Staten Island University Hospital South.

He was born January 17, 1937 in the Red Hook section of Brooklyn to Vincenzo and Mary Puccio. He settled in Eltingville in 1965 where he and his wife raised their two loving children.

Anthony served his Country proudly in the United States Army, and was transferred to the United States Army Reserve where he was honorably discharged - achieving the rank of Corporal. He also served in the National Guard.

Anthony's career spanned 44 years in the Pre press and Printing industry after graduating from the New York School of Printing High School where he never missed a day of school - having 100 percent attendance as a child and teenager. He was a proud member of The Amalgamated Local One Printers Union.

In his younger years, Anthony was an avid paddle-ball player and in later years learning and loving to play Pickle-ball at the YMCA.

He was a Poker champion at Harrahs Atlantic City Casino, beating 119 people

in a poker tournament lasting 7.5 hours. He was also an avid boater, fisherman and Coast Guard Auxillary Member.

His life passion was tending to his multiple fish tanks, ranging from salt water to afrikan cichlids and his latest Aquascaping Fish Tanks with live plants.

Anthony was a long standing Mets and Giants fan, as well as having a great passion for tennis tournaments and attending numerous US OPEN Tennis matches with Rafael Nadal being his number one player.

Anthony, a devout catholic was a pious daily communicant at Holy Child Roman Catholic Church.

His latest accomplishment is a self published book called Biza, a biography of Anthony's father's quest as a young boy to come to America during WWI from Palermo Sicily.

Anthony had the greatest smile and sense of humor - his laugh was infectious. He also had a knack for telling a great story. Anthony will be sorely missed by everyone who has been blessed to have him in their life. Besides a very close family, he leaves behind many many friends who adored him and loved him.

He is survived by his beloved wife of 59 years, Genevieve Puccio, nee Spoto, his son Michael and daughter Donna, Michael's wife Anne (Lorenzo), granddaughters Nicole and Tara and Donna's partner Maureen Brady. He was preceded by his parents Vincenzo and Mary Puccio and his brothers Donald and Victor Puccio. Anthony is also survived by his furry grandkids, Rusty, Hershey and Trevi.

Funeral Services are private. Anthony will be laid to rest in Resurrection Cemetery and a Memorial Mass will take place at a later date to celebrate his

life.

“ *Donna, I am so sorry for your loss. I remember when I first met your Dad years ago, he was such a genuine person. We had a nice talk and I felt like I knew him for years. His kindness and warmth was truly something I will never forget. I didn't spend much time with him, but the few times I did, I knew I was with a special Man. Linda's stories about the card games on Good Fridays always were something special and loved hearing the stories of your dad and the lingo he used. I pray that over time, your sadness will turn into beautiful memories and you can look back on them with Love and Joy.*

“ In memory of my father-in-law Tony. He is already sending us signs with red cardinals to show that he is with us, maybe not physically, but certainly in spirit. Tony has always had a special bond with God and he has been called home to be with his parents and brothers and certainly Ambrose Cantale. We will cherish many memories, especially when he forced fed his granddaughters, Nicole and Tara to eat crème brûlée and pistachio ice cream until they vomited! I'm sure Blue Bunny ice cream and rib eye steaks will be waiting for Tony. We will miss the many stories and jokes. He was very funny, smart, and knew how to have a good time. Not only did we lose a very special man and wonderful grandfather, but I lost my first customer as a pedicurist. No more flying toenails! Tony actually let me clip his toenails when he had his hip surgery last year. I thought I had a new career! Tony brought a very special being into our lives 11 years ago. Our Shih Tzu Rusty will be a constant reminder of our precious Tony. We are forever grateful for Rusty. We all lost a piece of ourselves when Tony decided enough was enough. Our hearts ache when your heart aches, dear father. So, please rest in peace. Love always, your daughter-in-law Anne

“ *Unknowingly, until the move to Staten Island, The Puccio and Pellecchia families lived around the corner from each other most of their lives. My sister Gina and Donna played softball together back in the seventies coached by Mrs. Puccio who led them to many victories. Donna and myself became friends in the early eighties. The rest, as they say, is history. I was always welcomed in the Puccio home and shared many meals and martinis expertly made by this exceptional man. He taught me how to fish and encouraged Micheal, Donna and myself to get our boating certificates. I believe we all cheated off his paper at the final exam. Every Good Friday I spent with this family was a blessing. After our martini's and fish dinner we usually ended our night with a friendly poker game. No one squeezed out the final hand like Mr, Puccio. With a painfully slow process of dealing each card he would always have his poker lingo ready . A lady for the lady or a pair of deuces never loses. His sense of humor and wit never disappointed. I never left their home without a good belly laugh and a feeling of contentment. He was a man of passion and devotion to his family and all who knew him. You will be missed beyond measure. As if you didn't know, I love you, and I pray for your soul to be reunited with those you lost. Rest in peace, my captain, my friend. When it's my time I expect you to be at the helm with a martini waiting for me.*

“ *To My Dear and Beautiful Father.....*

You are sorely missed already !! I loved and will continue to love you with every vapor of my soul. I am my father's daughter - therefore I have learned character, forgiveness, to love and to know what it is to receive unconditional love. It is now I have to go on in this earthly world without you which will be the most difficult thing I will ever have to do in my life. But I also share your piousness, another genuine gift that I have learned from you. I have no doubt that I will feel you in a breeze, and feel your warmth from the sunlight on my face (aside from me putting my face in your pea cap and baseball cap to smell you). Today is Grandma's birthday (4/20)....Happy Birthday Grandma !! God have mercy on your soul, may you rest in heavenly peace and may we continue to embrace each other through spirit. Peace and Love in your joyful reunion with God the Father, Jesus Christ his son, along with Grandma, Grandpa, Uncle Donald, Uncle Victor and family and friends who have also passed before you.

Love Always and Forever until we meet again.....

Your Daughter Donna XOXOXOXOXOXOXOX

*“ I'm Jackie, the boy from next door beginning in 1965. Mr. Puccio taught me a about life, as I might never have learned otherwise. That's because all my family, including my father, were civil servants. Mr. Puccio though, was a BUSINESS OWNER. Because of my "brotherly" relationship with his son Michael from our kindergarten era, I learned the way of life of those, whose efforts DRIVE the American economy, the Business Operators. What an education I got! What an eye opener, for a kid who would only have known life from a single viewpoint! Mr. Puccio was also a craftsman brick-layer. And I KNOW, that my love and appreciation for brick and stone structures, is rooted in seeing him build with his father, the walls that adorn the front of the Puccio property TO THIS DAY! Mr. Puccio was ALWAYS kind and welcoming toward me, and he had a humous way about him that makes me think of Peter Sellers. Certainly, I am a better person for having had the privilege to know Mr. Puccio so well, and spending about 50,000 hours of my life with his family! To Mr. Puccio I say, "Say hi to my mother, your old neighbor and friend, 'Annie May'. And, I'll see you when I get there!
Love, Jackie”*
