“ My heart goes out to the Saraceno family during this difficult time. But what brings a smile to my face is the memory of what happened at Michelle and Anthony’s engagement in NYC. I was trying to get Anthony to the front of the crowd to witness the proposal and gave an ever so gentle push, which made him almost fall! And of course it was all caught on video! He was such a good sport and we always laughed about it! A true and kind gentleman! With sincere love and sympathy, Aunt Joanne
