“ *Although I never know you I felt I did. I have been friends with your son's Louie and Beatle Bob. They always spoke very well of you and there Dad. Louie invited me into his house when Hurricane Sandy devisted my home. That comes from good blood. R.I.P.*

“ Dear Aunt Nettie,
There are some many things that I am thankful for, but most of all I am most that for being a perfect example of what a mother should be to her children. My children always loved to be with you, you loved them and they loved you to the moon and back. You will forever be in our hearts and never be forgotten.
I love you forever and a day...Graceann
