“ *Dear Gino and Family, I want to express my deepest sympathy to you and your family on the passing of Antonia. She fought a long battle with dignity and courage. She was lucky to have all of you. Antonia was a beautiful loving mother. When I met her we planned our children's bridal shower and then baby shower and all she thought of was how nice she wanted to make a beautiful celebration for the kids. She was always thinking of others. I was fortunate to know her. She was lucky to have you all by her side giving her love and support thru the years she fought this horrible illness. You should know that you did all you could to make her final days as comfortable as possible and know that she is now at peace know watching over all of you. Stay Strong. Pamela Mauro & Family*
