“ My condolences to the family.
I started working with Manufacturers Hanover Trust in September 1973. My first job in the bank was in Operations (7th floor at 4NYP). Tony was my supervisor at the tape pool. He was a good supervisor. Thanks to him I was able to move up as a Main Console Operator and in 1978 I transferred to the programming staff at 55 Water. I never crossed paths with Tony again, but I never forgot his name. Señor Skomina, it was a pleasure working with you. God bless and may you rest in peace.
