“ *My thoughts and prayers are with your family. Arlene was a good and caring person, she will be missed. I will miss our talks and dinners at Park Side and Zum Stammtisch restaurants. She introduced me to some great German food there. I'll miss you!*

“ *During the 1960's we were pen pals for several years including your cousin Lynn. I still have those hand written letters. Then we all got our drivers license & enjoyed memorable summers in Charleston, RI. Those were our bright spots as teenagers. I will miss your beautiful personality. May your guardian angels guide you peacefully throughout the spirit realm. Blessed Be! From your old pen pal Joyce Rydlewicz-Coffey*

“ There are so many wonderful and happy memories I have of your Sister Arlene that they are too numerous to mention. She made our family childhood holidays extra special with games, surprises and various new meals to try. As we grew into adults I shared many experiences with her both in NYC and traveling to other destinations for mini vacations and excursions. She is also the Godmother to my daughter Rachel. Although we cannot share in this moment with you, please know you and your family are in our thoughts and prayers. We will all have fond memories of Arlene and will think of her with a smile every time we mention her name. As Arlene would say, 'kiss kiss' and love to you all 💕🙏🥹 MaryLynn and Tom and the girls

*Footprint in the Sand meant a lot to Arlene. She also knew she was in Our Heavenly Fathers Hands and trusted Him in all his decisions. His decision was to make an angel out of her. We all have a very special guardian Angel and she will be missed very very much. 🙏📖🌹*

*Words can't even begin to say what I am feeling for you and your family . Arlene touched so many people.. Her smile and giggle was priceless.*

*All the memories of her doing tobacco with Lynn ..The great times we had in RI.*

*Going to Broadway shows with her, cooking together. Her roasted potatoes with Rosemary or her Kielbasa with sauerkraut. Just so many things . I am glad she remembered the Italian dishes I cooked for her..*

*She was telling my sister Lynn about one I made her. Had to giggle on that one for she loved it till I told her what it was made out of and then she never got over that.*

*Easter when we were kids and and all the families getting together if In New York or Pennsylvania we all had wonderful times together .*

*She will be missed, but never forgotten ..*

She had a great sense of taste and could make anything look beautiful. She introduced me to many things in NYC that I may not have experienced except for her. I am sorry we can't be with you all because of this virus. But know we will be there in spirit.love to you all. Maggie, Tony, Eric, & Jake.*
