“ *Years ago when Mike and I were together I met his mom Sue and Mike's dad John. Sue was always very nice to me and when her daughter got married she invited me to her house after the church service. She was always very welcoming and even after her son Mike and I broke our engagement she was still very sweet to me and never forgot me. I have many fond memories of times I spent at their home with Mike and the family. I am just sorry about her husband John passing away and Mike too. it grieves me to know they are all gone now but at least they are together again in Jesus loving arms. May you all Rest In Peace. You will never be forgotten.. Sending My Love and sympathy to the family.*
