“ I remain stunned over this devastating loss. Barbara always stayed in touch w me and we have both been the so many things together.. she never forget to text me each holiday or just to text to see how I was doing. She was truly a special patient of mine and I had the privilege of taking caring of the entire ingoglia clan. Heaven has certainly gained one special angel. May you rest in eternal peace.. you are now home. Until we meet again..... Dr. Deb

“ Barbara became part of my extended family around 26 years ago. I have fond memories of backyard barbeques, having fun in their pool and wonderful holiday celebrations. She lived for her family and found an obvious joy in spoiling her grandchildren. Barbara, simply put, was a force of nature and it is hard to imagine a world without her in it. Barbara, your light will be carried by all those that loved you. We are sending you endless love, may you rest in peace.

“ Dearest Barbara Jean it's Stacey Anne!!! We loved to tease each other. Barbara you were a second mother to me. Whenever Matthew was sick which was always. All I had to do was call you and you would be there in a flash. Your love for your grandchildren was endless. Your love for family showed in everything you did every word spoken. I love you so much and will miss you always. May your beautiful soul rest in peace. 🙏 life will never be the same without you....

“ Barbara was a once in a lifetime friend, she was kind, caring, considerate and oh so loving. I remember meeting her when she came to bring me a ladder, when I became her neighbor. Who knew it was the start of a 50 year friendship. Barbie baby, you are unforgettable, I was blessed to have you in my life. Rest in heavenly paradise . I love you 💔💔

“ *Tonight, my heart bids farewell to a shining light, my dear friend Barbara, whose absence will be deeply felt. I'm grateful for our visit just last week, where Me, Frank, and Stella shared laughter and joy with you. Your presence in my life has been a blessing, and I'll cherish the countless conversations where you'd offer words of encouragement, reminding me of my strength. You and Frank were more than friends; you were family, always looking out for me and mine. I'm thankful for the memories we've created and the lessons you've taught me. The angels have gained a beautiful spirit, and I'm comforted knowing you're now watching over us. Please give my mom a warm hug and tell her I love her, and I'll be rejoicing until we meet again. Barbara, I love you and will miss you dearly, thank you for being such a precious part of my life.*
