“ Our Mom was the best. We never wanted for anything. She and our Dad made sure we had the best of everything She will be missed terribly. She will always be in our hearts and mind.
To our family we know how much you loved her please don't be sad. The best gift you gave her was being with her as she passed. By the grace of God she is out of pain and with other family members in heaven.
Thank you for all your prayers and support.

“ My dearest favorite Aunt ,
MY heart breaks for my Uncle John , Both you and Aunt Barbara has shown so many of us what True unconditional Love was all about. I remember the story of the first time the met and became Childhood sweethearts My Aunt loved my UNCLE that was her Johnny and she let everyone know it! Uncle John simple easy going gentle old school Guy and although he is a man of few words the love they both had for each other was PERFECT a perfect match. Aunt Barbara was everyone’s favorite Aunt. When ya needed someone to talk she was there with no judgement and open mind and the heart of Gold . A terrific woman who was all about family and having us all together come one come all . It has been such a tough road these past few years for my Aunt and it was hard to see her suffer in the way that she did . I know that she left this earth knowing that Her Johnny stood by her until she closed her beautiful eyes and went to be with her Mom and siblings who she missed so much . Aunt Barbara you left a legacy behind and memoirs that will bring a smile to everyone’s face . To My Uncle John my Cousins John and Nancy I’m truly sorry for your loss. I know that she will be watching over all of you always . To Aunt Joan, Gerri! Cheryl thank you for being great sisters and caring for her the way you all did .
LOVE You forever and always
Love
