“ *My sincere condolences and deepest sympathy to the family of my dear cousin Betty. She was named after our grandmother as was I and was always the life of the party. She lit up a room when she entered it with her dance and voice and always with a smile on her face. All our family and friends will remember her and miss her dearly. Rest in Peace dear cousin. Love Beebe (Beatrice) Anne. and family.*

“ Betty our block will never be the same again U taught us so much about laws and things we had to do 27 yrs ago She was always there for us and we can't thank her enough zi remember when her father died how upset she was and whe her hog pepper passed over the rainbow Now it is your turn to take your journal to the other side As sick as you were you still came to dads mass and burial I'm sure you made him very happy and how ironic your friend Jean wanted you two two to Mayb go on a date together Rven though that never came I would yell at you putting Christmas lights up and my son saying but it's not thanksgiving yet You never forgot that and all of us will never forget you
I hope your journey wasn't too long and that you can say hi to my mom and my dad who just passed 7 months ago Time will go on but we will never forget you God Bless you and I hope you are now rumored with all of your loved ones Be happy my friend and every time I look up and see your house I will say a prayer for you
See you Monday for our last time You we're a nice strong woman and we my family will miss you For now goodbye but hope to see you again.....,Love the Enis Family two doors down from you
Another person got their angels today
