“ *Dear Bro,*

I'm sending you the warmest Birthday greeting from your loving brother. No one else can take your place in my life. I for one, really miss your smile and laughter, and it's just not the same without you. You were always tops in my book, and I keep our memories protected and locked up safely in my heart. Our family always talks about how much they miss you. And I'm sure you must already know that, because all our aunts and uncles are with you, not me. So say hello from me, I miss them all. And say hello to mom and dad, and let them know how much I miss them. And don't worry, we'll all be together again before you know it.

I know you must be doing great in your new life, because you popped into my dreams and looked very happy. I know our live's are a never ending story, But it's so dam hard to find everyone in the next life. And if you need help finding your way in the afterlife, just look up my good old buddy Jerry.

He'll be glad to help you get to where you need to be. You can always count on JB to lend a helping hand. He never let me down. And Remember Ben, Just because you don't see me around, does not mean I'm not still here. I'm always here. Here for You, Here for my Family, and Here for my Friends.

*I Miss You So Much,
Your Loving Brother,
Anthony*

“ Hey Bro,

I'm calling you to wish you a Happy Birthday,. I been thinking of you everyday and I've been lost without you. I know you will be given a happier life in the afterlife because you deserve it. Say hello to mom and dad, and i'm sure my buddy Jerry is also there to comfort you. Tell Jerry I thank him for looking after you, he's such a really good friend.

Now, I gotta get this off my chest. I blame your death on those two lowlifes who poisoned you. It was a hideous crime that John Cigna (faggots) & Tommy did to you at the Shea stadium concert. I only wish I could have saved you from the evil prank they pulled. The poison they gave you has slowly destroyed your life and after 40 years, systematically caused your death. They deserve to be punished and they will be, as God as my witness. I Dam them Both to Rot in Hell for Eternity. May God Bless You Ben and Keep You Safe from Harm, I Love You, Your Bro
