

## Bernard A. Lopez

August 20, 1951 - July 14, 2024

With a heavy heart, I share the passing of my beloved father, Bernard Lopez, who left us on July 14, 2024. Born in 1951 and raised in the Bronx, Dad's life was a testament to dedication, love, and the profound impact one person can have on their community.

Dad's journey as an educator began with the inspiration he drew from his high school teachers. He devoted his life to teaching Spanish and Italian at Monsignor Farrell High School, McKee High School, and Taft High School. His passion for education extended beyond the classroom; in the evenings, he dedicated his time to helping first-generation adults in Staten Island earn their GEDs, offering them a chance for a brighter future.

His commitment to education and his community saw him rise through the ranks to become a school administrator, eventually overseeing over 150 schools in Queens as a district administrator. His leadership and vision were instrumental in shaping the educational landscape for countless students and teachers.

Dad's contributions to education were not confined to local schools. For over 15 years, he served as the president of the American Association of Teachers of Spanish and Portuguese (AATSP), championing the importance of language education and cultural understanding on a national level.

Despite his many professional accomplishments, Dad's greatest joy was his family. He met the love of his life, my mother Silvia, when they were just 10 years old and reconnected 10 years later. They celebrated 50 beautiful years of marriage recently. Together, they built a life filled with love, laughter, and cherished memories.

In 1976, Dad moved our family to Staten Island, where he continued to shape the lives of those around him, both as an educator and a neighbor. He was a loving father to me, Bernard Lopez, and a proud grandfather to my daughters, Anarose and Holly. His wisdom, kindness, and unwavering support will be dearly missed by us all.

Bernard leaves behind his wife of 50 years Silvia, son Bernard Lopez (spouse Jennifer), granddaughters Anarose and Holly. Brother in law Jose Aguirre (Silvia) and loving nieces and nephews Cynthia (Mark), Lilliana (Carlos), Louis (Leida), and Eva.

His legacy of love, education, and community service will continue to inspire all who knew him.

Rest in peace, Dad. Your life was a blessing, and your memory will be cherished forever.

With all our love.

“ I have met Bernie through the AATSP (American Association of Teachers of Spanish and Portuguese) and have felt a deep admiration for his great work and his willingness to always collaborate with everyone around him, especially since I had the chance to get to know him in the Annual Conference in Puerto Rico two years ago. On that occasion, he was awarded the 2022 Chapter of the Year Award for his amazing work at the New York Metropolitan Chapter, where he served as President. I am certain he left a legacy to all of us in the AATSP through his amazing, and passionate work and he will always be remembered. Here is a photo of him receiving the 2022 Chapter of the Year Award in Puerto Rico. He gave such a wonderful, and inspiring speech! My sincere condolences to his family. God bless his soul and grant his family peace.

“ *Bernie Lopez, our fearless leader, will be missed. He had an indomitable spirit. He was a champion of those learning a second language and a steady supporter of the cause. In many ways he was the heart and soul of the AATSP Metro chapter of NY. An irreplaceable mentor and leader, he was loved by many and gave 110 % to all he did. May he rest in Peace. “ *I have known Bernie for many years. It was always so nice to see his welcoming and warm smile whenever I saw him at an AATSP event or a NYCAFLT event. His work and contributions were paramount in the pursuit of world language study. He always answered me if I sent an email with whatever inquiry. His loss is tragic and too soon. I will miss you Bernie, Mr. AATSP. Going to a conference and not seeing you there will leave a tremendous void. My sincere condolences to his family.*

“ I met Bernie at the Port Richmond Strong meetings I regularly attend. Bernie was very knowledgeable and always asked the questions that were on everyone's mind. He continued to question the presenters until he was satisfied with their response. He was also present at the 121 Pct meetings and protest rallies.. We eventually started to have conversations and I learned and he shared a lot about himself. He was a very proud man. I'm going to miss him. I'm going to Miss Bernie.  
My deepest condolences to the family

“ When I was a young high school teacher in the 80s, Bernie was my first role model of a sincere and dedicated educator with heart. It was at my first AATSP Metropolitan NY Gala in 1980 when I saw him as a born leader. He was in charge of being the emcee of the Tombola event. He had a presence, a sense of humor, and a genuine love in what he did. These are the qualities that endured and made him an accomplished educator, administrator, and most importantly, a wonderful human being. These qualities were emulated by me throughout my blessed career and I’m certain many others were influenced by him as well.

*Bernie, thank you for being a friend and colleague since 1980. You will be always be in my heart.*

*Sincere condolences to the Lopez family.*
