“ *Bernice was not only my employer but a wonderful friend as well. I was fortunate to have been part of her Risqué Salon family for over 30 yrs. She was devoted to her family, friends and employees. She treated us well and didn't like to think of herself as a 'boss'; more as a co-worker. She hosted many gatherings at her home and treated us to fabulous Christmas parties all over the NYC and was the last one off the dance floor..she lived to dance. She loved life and squeezed a lot of living out of her days here with us. She now dances among the stars in heaven. I was the better person for having her in my life and hoping to meet up with her when it's my time. Love you Bern...<3*
