“ *Brian's welcoming and supportive spirit is one I will never forget. He opened the doors of his home to me and so many of the Families Helping Families staff and truly made it feel like a home of our own. Brian and Andrea did this when I needed it most. This is a blessing I will always cherish and acknowledge as being a true part of my journey in which I was sent two guardian angels to light my way to a brighter time. Brian was a one of a kind, true gentleman. God bless him and his beautiful and loving family as they navigate these uncharted waters of a life without his smile.*

love, gratitude and friendship,
