“ *I'm Brian's sister-in-law. I have a memory of Brian. Well, I am disabled. I was starting my first day of college. So Brian called my mom and asked her if he could come with me because I had a manual wheelchair and couldn't push myself. Brian was willing to take a day off from work to go with me, but my mom said no. That is what comes to my mind. There are so many more memories, but that one comes first. Brian was a unique and special person. He will be missed. I love you, Brian.*
