“ *I hadn't known until now. Bridget and I were friends in my last year at Kingsborough. I adored her free spirit and her very Sagittarius warmth and knowledge. I spent time in her cute basement apartment. We were very psychically linked. Whenever we would think about each other and pick up the phone, the other would be on the line and it didn't even ring. Many times.*

My condolences to her family and friends.

RIP old friend.
