“ *My heart aches thinking about you Bryan, it's so heavy I can't bare it. I love you, I love you so much & I will love you for eternity. We would FaceTime a few times a week, sometimes everyday. I don't want to believe your gone... I mourn for you & your family. I'm so so sorry... this world will never be the same without you. ❤️💔*

“ *As long as I can remember you were baby Bryan to me. That is how I referred to you when I would talk to Cuku. You will always be remembered as the smart and very handsome and smart young man. You were always kind and I do remember that you called me Aunt Julie when I would see you. A beautiful life lost way too soon. Love Aunt Julie*
