“ I would like to remember the happier times, way back in Castellammare. I was Kinder Garden age, Camillo was 3 years ahead of me. I was playing outside the Elementary School, at the Case Nuove neighborhood. Camillo was attending class. He hears me talking outside, sticks his head out the first floor window and says, "I'm coming out, as soon as the teacher is out of sight." I said, "You can't, you got school!" I hear the teacher's voice trailing in the hallway and here comes Camillo, jumping out of the window which was 6 to 7 feet of the ground. He says, "Lets run before the teacher sees me!" We laughed our collective asses off.

“ *Carol and family, my deepest sympathy to all of you for the loss of Camillo. My mother and father always loved to be with Camillo. He was fun, caring and a gentle soul. I'm so glad I was able to see him at Joe Lauricellas party. He gave me the biggest bear hug. May your memories give you peace and comfort. Rest in Peace cugino.*
