“ *I feel my entire childhood was spent in and around Aunt Millie's house. She was the only sister of 3 that could drive. So it always seemed that we were in Aunt Millie's car going somewhere. She was a kind, generous loving aunt that would give you the shirt off her back if you wanted it. We lost a true legend of our family. The last of that era. Say hello to Mom and Dad and the rest of our loving family.*
