“ *By 12 pm on Christmas Day I was expected for lasagna, by 2pm it was beef braciote, afternoon if we were lucky came the stuffed artichokes, early evening fruit, nuts and THEN roasts and pasta for DINNER! Lucky I only lived two doors down...made for an easy roll home. Oh Millie - your food was amazing, and your heart as big as they come. You were a neighborhood Mom to many and my memories of you yelling "SALLY BOY" from the upper window will forever ring in my ear! Rest in peace Millie - your love of life and family was gift to all of us.*

“*Millie and Sal Cascioour friends and neighbors since 1969 are in our hearts . The support and love that Sal gave to Millie these past few years are a model for what God meant when he told us to love and take care of one another. His bravery and courage ... unsurpassed.*

If ever we wanted something wonderful to eat or to share a laugh Millie was always there. Her gifts to us were her spirit, her example of the importance of family and her sense of truth. Her life of simple pleasures should serve as a model for all of us.

If there is a Top Tomato in heaven, I know that Millie is there squeezing and choosing just the right tomatoes and enjoying every second of it.

We will miss you Millie and treasure our time with you.

“*Millie was like a second Mother to me. She always welcomed me to her home for card games (loved to take my money), and on holidays and even her summer spot at Point Pleasant me and my husband Joe were always welcomed and treated like family. We spent many days with her and Sal when they had the pool in the yard and always left with a full stomach. She reminded me like my mom when it came to prepping and cooking for the holidays. Always following traditions. She will be missed and my memories of her will last a life time. Rest in peace Millie and say hello to all the dear loved ones we have lost along the way.*

“ *Many fond memories of holidays and gatherings found the dining room table. Mom was a fantastic cook and carried the tradition of course after course of deliciousness. She cooked for her family with love and took great pleasure in bringing the family together. No one could even come close to making a salad taste like when grandma made it. It must have been all the hugs n kisses! A fond memory of grandma's notarity for her acclaimed culinary skills would be when her grandson was asked what he wanted for his birthday, and instead of asking for a toy, he without hesitation declared "grandma's lasanga"!!!*
