“ *How truly blessed that I was a part of your life and Johns as well. We had so much fun and enjoyed your beautiful voice. Your smile would light up a room and your laugh was contagious. You made everyone feel loved and went above and beyond to show how much you cared. What a beautiful loving marriage you and John shared and would let me and John dance when I would come to see the band. What great times they were. I still have the keepsake box you gave me many years ago and think of you every time I open it. You have gone through so much and yet always made time to give your love to so many others. You will always be in my heart. I know heaven has received an angel.*

“ *My dearest friend, and what a friend. How lucky I was to have known you. Your patience, acceptance of others, making everyone feel comfortable around you. Your great sense of humor. Your fantastic sauce and meatballs. The love you had for John and your boys - I don't think I've ever seen that anywhere else. And your great, great voice, which I got to hear night after night in the band. I'll miss you forever.*
