“ *Carol was always a terrific aunt to my children. Many fun Christmases were spent together at Nanny's. I remember her cute, distinctive laugh. Carol was very dedicated to her family for so many years, tirelessly caring for them. Now it is time to Rest In Peace with the angels.*

“ My dear friend my heart is broken without you. Still can't believe your gone but your not in pain and I will think about you everyday in heaven with your mom. Don't give her a hard time either. Don't worry about your daughter or husband or your father they all have great strength but will miss you everyday. I have never had a friend like you and will never. I will think about our good times at breakfast and all our bargain shopping. You raised such a beautiful daughter no one could ask for anything better. I think about school and the brown paper store and all the special pens we had to write on our brown paper. I also remember going to your house after school and watching your grandma have her tea at the table. I'm not saying goodbye but just had to say what I'm thinking how about our drive to conference house and how you let me drive up a one way street just missing a tree I have so many great memories and thank you for that
